

## TULSA CITY COUNCIL

November 3, 2016

Re: Development on North Peoria

Tulsa Development Authority:

I apologize I am unable to attend this meeting to discuss development along North Peoria. I want you to understand how important this development is and how excited I am to support good, quality development in the district.

I would be happy to discuss this item with you at a future time.

Sincerely,

A handwritten signature in black ink that reads "Jack Henderson".

Jack Henderson

Tulsa City Council, Councilor District One
