Peoria Realty provided a letter acknowledging receipt of Earnest Money Deposit and TDA’s General Counsel indicated the letter was sufficient. Executive Director Walker stated, all the appraisals for the properties have been received in the TDA office.
C. Dollar General Store/Rupe Helmer Group:
The Redeveloper plans to submit schematic drawings and specifications for the May 2017 TDA Regular meeting. Executive Director Walker stated a protest was held in opposition to the Dollar Store; however, the land has been vacant since 1979. Chairman Peters requested clarification of the Board approving the development in a Public Meeting. General Counsel Hartley stated, there were two public meetings regarding this development.

D. Ogan’s Circle/Capital Homes, LLC:
There was a Groundbreaking on March 9, 2017, and approximately 85 people have registered on the interest list. Ten people have completed the application process with Capital Home’s preferred lender. The first house is under construction and should be completed by May 2017. The goal is to have a house built for the Tulsa Parade of Homes 2017.

E. Firestation No. 1 – CORE Associates, LLC:
CORE has requested to meet with the TDA Board of Commissioners in Executive Session at the April 6, 2017 Board meeting.

F. The Flats on Archer:

G. Blue Dome Anchor, LLC:
The Redeveloper will appear before the Board next month for approval of the plans.

H. The Meridia, LLC- River City Development, LLC:
This is an Agenda item today for the final Draw Request No. 11. The project is complete.

The TDA Chairman, General Counsel, and Executive Director met with Ms. Hovell, at her request. The purpose of the meeting was to respond to a request from Ms. Hovell requesting a $2 million loan to alleviate interest payment with the bank, and return of the Good Faith Deposit. Chairman Peters made it clear to Ms. Hovell that TDA is not making a commitment and that she must follow the RFP guidelines. Executive Director Walker informed Ms. Hovell, a Certificate of Completion for all 8 units, must be received prior to the Return of the Good Faith Deposit. General Counsel Hartley stated, he would review the terms of the Contract for possible adjustments.

N. **The Edge at East Village (Hartford Commons, LLC):**
The project is complete. The Good Faith Deposit will be returned.

O. **YMCA Lofts**
This project is complete. The Redeveloper received the final Draw Request in March 2017.

P. **1216 North Lansing Avenue, The Lansing Centre**
TDA plans to receive bids for repairing the guttering system.

Q. **Carland Group**
Executive Director Walker stated an internal meeting was held with the Public Works Department, Human Rights Department, Mayor’s Office, and TDA regarding this development. The Public Works Department gave an estimate of $100,000.00 to fix the curbs and install driveways. The City of Tulsa’s position is the drive is a private drive and cannot enforce the developer to fix it. General Counsel Hartley stated, several attempts have been made to meet with the Carland Group to no avail, and the site plans TDA approved depicted driveways, not continuous curbing. The plans submitted to The City of Tulsa for permits were different than the plans TDA approved. This switch in plans allows TDA to enforce the contractual right which states any change in plans must be brought back to the TDA Board for approval.

Executive Director Walker responded to comments and concerns from the Board members. After discussion, Commissioner Bracy moved to accept TDA’s Executive Director Report for April 2017. Vice Chairman Mitchell seconded the motion. The vote was recorded as follows:

**Ayes:** Peters, Mitchell, Pegues, and Bracy

At the request of Chairman Peters, the study will be made available on the TDA website before the end of the day.

The meeting will be rescheduled to accommodate all participants’ schedules, including City Councilor Vanessa Hall-Harper. Ms. Rose Washington with TEDC is requesting a commitment for infrastructure funding to be available for potential clients wishing to build in the Shoppes on Peoria. Plans for lighting on Peoria Avenue, between Apache Street and Pine Street were bid, and 3 bids were received. The apparent low and best bidder was
