On April 7, 2016, the TDA Board of Commissioners reviewed and approved Resolution No. 6195 authorizing the TDA Executive Director and General Counsel to enter into negotiations with EverMore Services, LLC for the draft and creation of the TDA Operational Plan. On April 13, 2016, TDA’s Executive Director met with Cynthia Stewart regarding the following terms and conditions of the proposed Operational Plan:

- Total billing for all deliverables
- Deliverables worked

The Operational Plan will extract four to five items from the strategic plan that TDA should consider focusing on and develop an operations plan for 2016 – 2017. This concept is building on the TDA’s work during the Strategic Planning process in 2015 to adopt and publish that 2015 – 2021 Strategic Plan, TDA has several major deliverables to fulfill the Strategic Initiatives, Outcomes and Action outlined in the subject plan.

The first priority for TDA is to create an annual operating plan for 2016, with the associated annual planning process, to set out the specific actions and resources needed to achieving the goal of TDA.
