(b) **Time and Place for Delivery of Deed.** Seller shall deliver the Deed and possession of the Property to the Purchaser at the Closing, which shall occur as provided in the Real Estate Contract between Seller and Buyer. The time for the performance of the obligations shall be extended for the period of delay, as determined by the TDA, if the party seeking the extension shall request it in writing of the other party within thirty (30) days after the beginning of the enforced delay.

SECTION 14. REMEDIES

(a) In General. Except as otherwise provided in this Contract, in the event of any default in or breach of the Contract, or any of its terms or conditions, by either party hereto, or any successor to such party, such party (or successor) shall, upon written notice from the other, proceed immediately to cure or remedy such default or breach, and, in any event, within sixty (60) days after mailing of such notice to the defaulting party. In case such action is not taken or diligently pursued, or the default or breach shall not have been cured or remedied within said sixty (60) days, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach including, but not limited to, proceedings to compel specific performance by the party in default or breach of its obligations.

(b) Prior to Conveyance. In the event that prior to the conveyance of title to the Property to Purchaser, the Purchaser assigns or attempts to assign this Contract or any rights hereunder, except as provided for in Sections 10 and 11 hereof, or fails to pay the purchase price to Seller, then this Contract and the TDA’s Consent to the Partial Assignment of Contract for Sale of Land for Private Redevelopment dated January 31, 2000, as amended (insofar as the same covers the Property being purchased by Purchaser) may, at the option of the TDA, be terminated by the TDA and the Deposit retained by the TDA as liquidated damages. Ross, Seller, Purchaser and TDA agree that, in the event of any such termination by TDA, Seller may not proceed with a sale of the Property without the prior written consent of TDA.

(c) Re-vesting Title in TDA Upon Happening of Event Subsequent to Conveyance to Purchaser. In the event that subsequent to conveyance of the Property or any part thereof to the Purchaser and prior to completion of construction of the Project as certified by the TDA:

(1) The Purchaser (or successor in interest) shall default in or violate its obligations with respect to the construction of the Project (including the nature and dates for the beginning and completion thereof), or shall abandon or substantially suspend construction work, and any such default, violation, abandonment, or suspension shall not be cured, ended, or remedied within ninety (90) days, (one hundred and eighty (180) days if the default is with respect to the date for completion of construction of the Improvements) after the mailing of written notice of demand to Purchaser by the TDA to do so; or
(2) The Purchaser (or successor in interest) shall fail to pay real estate taxes or assessments on the Property or any part thereof when due, or shall place thereon any encumbrance or lien unauthorized by this Contract, or shall suffer any levy or attachment to be made, or any materialmen's lien, or any other unauthorized encumbrance or lien to attach, and such taxes or assessments shall not have been paid, or the encumbrance or lien removed or discharged or provision satisfactory to the TDA made for such payment, removal, or discharge, within ninety (90) days after the mailing of written notice of demand to Purchaser by the TDA to do so; or

(3) There is, in violation of this Contract, any transfer of the Property or any part thereof, and such violation shall not be cured within sixty (60) days after the mailing of written notice of demand to Purchaser by the TDA, then the TDA shall have the right to re-enter and take possession of the Property, and to terminate (and re vest in the TDA) the estate conveyed to the Purchaser, it being the intent of this provision, together with other provisions of this Contract, that the conveyance of the Property to the Purchaser shall be made upon, and that the Deed shall contain a condition subsequent to the effect that in the event of any default, failure, or violation, or other action or inaction by the Purchaser specified in subdivisions (a), (b), and (c) of this Section 14, failure on the part of the Purchaser to remedy, end or abrogate such default, failure, violation, or action or inaction, within the period and in the manner stated in the subdivisions, the TDA, at its option, may declare a termination in favor of the TDA of title, and all right, title, and interest in and to the Property conveyed by the Deed to the Purchaser, and any assigns or successors in interest to and in the property, shall revert to the TDA: Provided, that such condition subsequent and any re vesting of title as a result thereof in the TDA shall always be subject to and limited by, and shall not defeat, render invalid, or limit in any way (a) the lien of any mortgage authorized by this Contract, and (b) any right or interest provided in the Contract for the protection of the holder of such mortgage. In addition to the right of re-entry and re vesting of title provided for in the preceding sentence, upon the occurrence of a default, failure or violation by the Purchaser as specified in said sentence, the TDA shall also have the right to retain the Deposit as damages without limitation or waiver of the other remedies available to TDA under the terms of this Contract or otherwise provided by law.

(d) Other Rights and Remedies; No Waiver by Delay. The TDA shall have the right to institute such actions or proceedings as it may deem desirable for effectuating the purpose of this Section 14, including also the right to execute and record or file among the public land records in the office in which the Deed is recorded, a written declaration of the termination of all rights, title and interest of the Purchaser, and (subject to such mortgage liens and leasehold interests as provided in Section 15 hereof), its successors in interest and assigns, in the Property, and the re vesting of title hereto in the TDA: Provided, that any delay by the TDA in instituting or prosecuting any such actions or proceedings or otherwise asserting its rights under this Section 14 shall not operate as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that the TDA should not be constrained so as to avoid the risk of being deprived of or limited in exercise of the remedy provided in this Section because of concepts of waiver, laches, or otherwise to exercise such remedy at a time when it may still hope otherwise to resolve the problems created by the default involved); nor shall any waiver in fact made by the TDA with respect to any specific default by the Purchaser under this Section be considered or treated as waiver of the rights of the TDA with respect to the particular default except to the extent specifically waived in writing.
(e) In the event that Seller does not tender conveyance of the Property, or possession thereof, in the manner and condition, and by the date, provided in the Real Estate Contract between Seller and Purchaser, and any such failure shall not be cured within thirty (30) days after the date of written demand by the Purchaser, then this Contract shall, at the option of the Purchaser, be terminated by written notice thereof to the TDA, and, the Good Faith Deposit returned to the Purchaser at which time, Purchaser shall quit claim the Property to TDA. Upon such termination, return of the Deposit (if already remitted to TDA by Purchaser) and delivery of the quit claim deed by Purchaser to TDA, neither the TDA nor the Purchaser shall have any further rights against or liability to the other under this Contract for Sale of Property for Private Redevelopment.

SECTION 15. RESALE OF RE-ACQUIRED PROPERTY: DISPOSITION OF PROCEEDS

Upon the re-vesting in the TDA of title to the Property or any part thereof as provided in subdivision (c) of Section 14, the TDA shall use its best efforts to resell the Property or part thereof (subject to such mortgage liens and leasehold interests as in Section 14 set forth and provided) as soon and in such manner as the TDA shall find feasible and consistent with the objectives of applicable law and of the Urban Renewal Plan to a qualified and responsible party or parties (as determined by the TDA) who will assume the obligation of making or completing the construction or rehabilitation of the improvements or such other improvements in their stead as shall be satisfactory to the TDA and in accordance with the uses specified for such Property or part thereof in the Urban Renewal Plan. Upon such resale of the Property the proceeds thereof shall be applied:

(a) First, to reimburse the TDA, on its own behalf or on behalf of the City, for all costs and expenses incurred by the TDA, including, but not limited to, salaries of personnel in connection with the recapture, management, and resale of the Property or part thereof (but less any income derived by the TDA from the Property or part thereof in connection with such management); all taxes, assessments, and water and sewer charges with respect to the Property or part thereof (or, in the event the Property is exempt from taxation or assessment or such charges during the period of ownership thereof by the TDA, an amount, if paid, equal to such taxes, assessments, or charges (as determined by the County assessing official as would have been payable if the property were not so exempt) any payments made or necessary to be made to discharge any encumbrances or liens existing on the property or part thereof at the time of revesting of title thereto in the TDA or to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of the Purchaser, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the improvements or any part thereof on the Property or any part thereof; and any amounts otherwise owing the TDA by the Purchaser and its successors or transference; and,
